## A LECTURE ON KERR'S New DISCOVERIES.

Published in a paper at Great Bend Kansas, called "The Truth About God and Life," Kerr and his church of humanity says there is no real God of the universe, no Christ, no soul. And that life is ended forever with each person at death. That all Gods, Saviours, Souls, Saints, Devils, Spirits, Angels, Heaven, and Hell, are all mythical having no real existence. Now dear readers you will have one of the most golden opportunities that mortal man ever had to know the truth about the idea presented, that there is no God. The cover will be pulled off Mr. Kerr by that same God which he denies to be. This challenge and lecture will commence the first issue in May, in the WORLD'S CRESSET. Who will send us in a dollar, in order to help expose those false discoveries of Kerr's. Help your neighbors to get the truth. Readers help yourselves and your neighbors to subscribe for the CRESSET, we shall not leave any stone unturned that will give light on the true God and his Christ and against all opposition—We trust that our subscription may run up into the tens of thousands. So do not fail to get those lectures and you will then be ready to meet Kerr with all his opposition, or any other false theory. Rush in your dollars on subscription it will be one of the greatest exposures that has ever been presented to the human family. get ready to receive it, send in your subscriptions by the last issue in April so that you may receive the first issue of the lecture in May.

## TALK A BOUT CHRISTIAN NATIONS.

We ask the great men of to day. Those who claim to know Christ. Where do you say that there is a christian nation to day and what part of the globe does it inhabit?

And in order to satisfy our question you must find a nation which has beaten their swords into plowshares and their spears into pruning hooks, and will not lift up sword against nation neither learn war any more and every man sitting under his own vine and fig tree where no man dare molest or make a afraid. And until you find this kind of a nation we will have to say you can not satisfy us in regard to America being a christian nation or any other nation who prepare for war, when God said put up your sword. And I will be a wall of fire round about you.

## LOVE.

Love worketh no ill to his neighbor. The universal charity of a Mason's God and his God is the God of Love. Just the God the christian man should have. Just consider the extent of the Love of God and that only according to his degree is the extent of Masonic Charity, and should be the christian's. In the broad circle of the affections, of true Mason, encloses all mankind in true principals. And so should the christian. The Mason like the God of love, looks thru station, clime, and color and with one wish of universal Good-will, he wishes well to all mankind. So should the christian. With the compass of his mind, he measures and draws the square of his conduct, and with that square having honesty provided for his own household, he forms his duties of benevolence and Charity to the distressed of all mankind. So should the christian.

## CAN ANY ONE ANSWER THE CAUSE.

Where there is a people who have heard the truth. And has had all opportunities of knowing the truth, and cast it from them. And then when they have an opportunity of taking up with nothing, that they will go wild over it. And when there is a good people in a neighborhood that will come to your assistance when ever you are in need, in business in work, in sickness or in death, and as soon as the trouble is over, those good people will be turned down for nothing. Please tell us why this is?

## We Believe in Preparedness.

We believe that every man should prepare his heart which is desperately wicked and very deceitful, prepare it for the reception of our Lord and Master. And then there will be no war, no blood shedding, and no striving to make a few men very rich and rulers. And the large majority of the human race slaves to those few Lords of earth. May the time soon come when the whole human families will put on the whole Armour of God and be one family in God and his Christ and all to be heirs with Christ.

## A Bill For Coast De- fence of \$100,000,000.

We learn on April 12—The third great element of the national preparedness programme was Monday brought into the house.

It is the largest fortifications bill ever reported, and the first of four annual measures under which it is proposed to spend approximately \$100,000,000 for increasing and modernizing the coast defenses, already officially declared to be superior to any in the world, and to supply an ample store of reserve ammunition for the guns.

Included in the bill are provision for mounting 16-inch direct fire rifles to guard New York, Boston, San Francisco and other great cities from long range naval bombardment.

Provision is also made for mounting 22-inch rifles, now in reserve, so they will have a range, of more than 30,000 yards or fifteen sea miles. No ship could live within that distance of the guns.

The plan will add 16-inch mortar batteries to the present 12-inch emplacements because of the increased armor protection of modern battleships. In addition it provides for 16-inch mobile howitzers and 14-inch guns on railroad cars to defend points not protected by established forts.

## Never Forget.

Never forget that good deeds and kind words can never die—Kind words spoken here to comfort the drooping heart will last through the immensity of time.

Good deeds done here are stamped upon the pages of eternity. On last Saturday we received from Mr. R. A. Bury, Detroit Mich. two fine boxes of clothes for the Colony people in token of his love he had for the truth and a great many of them were for the children.

Bro. Bury, I will never forget the joy and gladness that there was on the hearts of those children, when the clothes were divided out to them by my wife. And the joy of heart in your unworthy servant, the first sermon he preached with his fine preacher coat and vest on; that he received at and from your kind hands. With ten thousand times ten thousand Thanks, to you—We beg to remain a Brother in the deepest sense of the Word.
